

Colorectal Cancer

COMPASS ONCOLOGY EDUCATIONAL SERIES

Colorectal Cancer Awareness, Screening and Treatment Options

Learn the latest information about colorectal screening; why it's important, how often you should be screened, and next steps if a tumor is found.

Topics to be discussed:

- Overview and statistics for colorectal cancer
- Screening for colon cancer
- Treatment of colorectal cancer (traditional chemotherapy and targeted treatments)
- What is my risk of recurrence?
- Importance of lifestyle modification for prevention of cancer
